

【IMPORANT NOTICE】

Registration of Scholarship Applicants

Those who wish to apply for scholarships that require a recommendation from the university (such as JASSO's Honors Scholarship for Privately Financed International Student and the other private foundations' scholarships) must complete for this registration. Upon completion, you may apply for a candidate selection for scholarships offered within the school year of 2018 after that the university completes related procedures in April. Students who are planning to apply for Japanese Government (MEXT) Scholarship are highly advised to register.

Please note that students who registered in April 2017 and October 2017 are also required to re-register. Students those whose spouse is a MEXT or Government Sponsored student are also eligible for this registration.

【Intended Students】 This registration is for the following international students at Chiba University;

1)	who will continue or enroll either as an undergraduate student or a graduate student. (current and newly-enrolled students)
2)	who enrolled as a research student, or a specialized student by October 2017. (current research students or specialized students) <Notice> Research students and specialized students who enroll in and after November 2017 are not eligible to register this time.
3)	who are currently MEXT scholarship or Government Sponsored student whose period of scholarship ends by March 2019 and wish to apply for scholarships starting after October 2018.

【Qualification】 Eligible applicants must satisfy all the following conditions.

1)	International student who enrolls in Chiba University as an undergraduate student, a graduate student, a research students or a specialized student during the school year when a scholarship granted. * *Must hold a "Student" visa. Applicable to prospective students.
2)	International students who do not exceed the designated period required for graduation. This will usually be four years in the case of an undergraduate student.** However, International students on a doctoral course who continue to study beyond their designated period for a period of less than 12 months due to unavoidable circumstances is allowed to register. **Granted period of leave of absence may be excluded.
3)	International student who holds great academic standings and is never given any disciplinary actions within the past one year.
4)	International student whose monthly allowance from his/her family and relatives is less than 90,000JPY.
5)	International student whose annual income of his/her sponsor residing in Japan is less than 5,000,000JPY.

【Attention】

- 1) Even if you will enter graduate school newly from April, you have to register as a "current student" if you are enrolled in Chiba University as a student (Undergraduate Student, Graduate Student, Research Student and Specialized Student) now. Your registration will not be accepted as a "newly-enrolled student".
- 2) If you are not able to attend the guidance, please consult to International Student Division beforehand and follow instructions provided by the staff in charge. Otherwise, your registration cannot be accepted for any accounts.
- 3) Please register by yourself so as not to send the wrong data.
- 4) Note that the registration does not automatically make you a candidate for any scholarship. It is your own responsibility to look for and apply for a scholarship. Latest information about scholarship (registration, offer, etc.) will be posted on bulletin boards as well as International Student Division's website
