1. In case of illness, accident, or incident, you can not make emergency calls to 119 (ambulance) or 110 (police), etc., without a phone number.
2. In case of disasters such as typhoons, earthquakes, etc., it is very inconvenient to contact without a phone number.
3. Making a room contract or opening a bank account in Japan is difficult without a phone number.

Get yourself a phone number to live safely and securely in Japan.

However ! It's hard to get a voice SIM immediately after coming to Japan.
