Instant SIM! No need for application.

After purchase, Communication begins when you set up your APN or profile.

Therefore, you can use this SIM card immediately.

※Service will not be started on Thursday 22:00~9:00 due to Docomo's system maintenance.

This service only provides the SIM card. You must provide your own SIM-free device.

※Devices that are SIM-locked or support only 3G are incompatible and therefore cannot be used.
