

Immigration Services Agency of Japan will provide email when your date of expiration come closer.

We have added a new function to the Japan Immigration Service News.

Just by entering the date when your period of stay expires to the form, you can get the reminding email when your date of expiration come closer.

※The email is provided based on the date of expiration that you entered in the form. **So please be sure to enter the correct date of expiration** by checking your residence card, etc.

ISA Mascot
"Imigu"

↙ If you wish to register for the service, Registration form is in here.

↙ If you have already registered, Information change form is in here.
